Meeting Minutes of May 7, 2026

Chair, Jamie Ganter called the May meeting of the Clayton Local Development Corporation to order at 4:00 p.m. Also in attendance were Secretary Christine Powers, Asst. Secretary Chris Bogenschutz, TICS Superintendent Lisa Ingerson, Town Supervisor Tim Doney, Mayor Nancy Hyde, Mike Hazlewood, Doug Rogers, and Tim LaLonde. The following members were excused: Vice Chair Bobby Cantwell, Treasurer John Cooper, Jack Stopper, and Norma Zimmer. Executive Director, Kristi Dippel was also in attendance.

On a motion by Nancy Hyde, second by Mike Hazlewood, the Board unanimously approved the minutes of the meeting of March 5, 2026, with no further discussion. There was no April meeting.

Chair Ganter discussed the Board Evaluations and stated that the ratings are high with very few comments of “somewhat agree.” After review, it has been determined that those comments have been resolved with no further action necessary.

Chair Ganter also stated that Executive Director, Kristi Dippel’s performance evaluation is nearing completion and will be presented to the Board at the next meeting.

Chair Ganter stated that he attended the joint Village and Town meeting to review the CLDC goals and strategic plan and he thanked the municipalities for their support. Mayor Hyde thanked Jamie for attending and for providing information regarding the CLDC for new Village Board members.

Chair Ganter also reminded the few Board members of outstanding, required training.

On behalf of Treasurer John Cooper, Kristi Dippel presented the Treasurer’s report. A check to the North Jefferson Improvement Assoc. for \$6,083.34 ED hours for March and April was presented. After this transaction, the balance of \$8,545.26 remains in the General Account. With no activity in the Reserve Account, the balance remains at \$1,777.18. On a motion by Tim LaLonde, second by Chris Powers, the Board unanimously approved the Treasurer’s report and the payment of the bill, a copy of which is attached to these minutes.

Executive Director Kristi Dippel updated the Board on the following:

- LWRP – The process continues and the consulting firm, MJ Engineering is pleased with the progress. The Open House was a success with great online responses. The next meeting is scheduled for May 13th at 2:00. The website at www.claytonlwrp.com remains open for continued information sharing.

- The Clayton Comprehensive Plan should be updated and Jefferson County Administrator, Ryan Piche, believes this should be done through a consultant rather than County employees. This process will begin at a later date. Mayor Hyde stated that the LWRP and Essential Housing projects take precedence at this time.
- All required annual reports were submitted the NYS by the March deadline.
- Anyone receiving inquiries regarding the “Vacant Rental Program” should forward the questions to Kristi Dippel.
- North Jefferson has a few job openings, so Kristi has asked that any information on potential applicants be forwarded to her.
- Kristi has been attending Jefferson County Steering Committee meetings to represent Clayton and ensure that tourism is viewed differently from Fort Drum.

Committee Updates:

Essential Housing Committee: Tim LaLonde

- A meeting was held with Michelle Capone, Development Authority of the North Country (DANC) to discuss a potential “model” for the housing development and she was very helpful. RFP’s will be prepared for private developers. Kristi will contact Michelle regarding the next meeting.
- The Housing Committee is researching attorneys for this process.
- Local landowners have been inquiring about the location, TBD.
- A Jefferson County “Infrastructure” grant has been awarded to Clayton for this housing project.
- A matching grant program through Northern Border Regional Commission has been applied for to meet the match requirement of the County Infrastructure grant.

Audit Committee: Chris Powers, Chair

- The Audit Committee members met, in March, with auditors regarding the annual audit. With no matters requiring Board Attention, it was approved with minor wording changes. The auditors commented that there may be a Going Concern with the CLDC regarding expenses related to revenue. The Board is aware and the Strategic Plan addresses that.
- Chair Powers inquired with Tim Doney, Town Supervisor, on the status of discussions at the Town allowing the CLDC to fall under the Town for audit purposes. More information to follow.
